### S. Henry

Henry was born into a noble family and after his cousin's death he became Emperor. He wasn't happy with the role and instead sought the greater glory of God.

He had to lead many battles, and won them all, however, he wanted to join a monastery; but was refused.

Henry married, but they lived in perpetual chastity so there was no heir to his title, but he built a cathedral and gave generously to many poor and religious institutions. He died aged 51 years old.
